Signal Centers has many opportunities for parents, caregivers and family members to volunteer. We request that each child enrolled have an adult family member volunteer in some capacity for just 4 (FOUR) hours throughout the year. Please speak with your child's teachers or Pam or Corey or Traci to schedule your time so that you too can make a difference in the life of those who enjoy the benefits of Signal Centers!

We have many scheduled and dedicated volunteers and organizations who schedule volunteers throughout the year. We appreciate the time and effort it takes to make great things happen for children and we would not want to operate any other way!
