Holiday Party

December 19th

Dear Families and Friends –

2018 is quickly ending and what a year it has been. Every year at this time it always it feels like we just celebrated Halloween a week ago much less our annual Thanksgiving luncheon, this year was our biggest luncheon to date and now we are ready to get into the full holiday spirit with shopping, singing and sprinkles.

In this season of gratitude and grace I am incredibly thankful for each one of you as you continue to donate your time and talents to make this program a wonderful resource for individuals in our community. Without your support we could not accomplish many of the big ideas that we are continually dreaming of while allowing our participants to spend their days doing the things they love.

Please take a minute to look through this month's newsletter and calendar as we have a lot of activities packed into a short period of time and let us know which special activities you are interested in participating in. As well as marking your calendar for the Adult Center Winter Break from December 24, 2018 -January 2, 2019. Staff will return on January 2nd for an in-service day and all new shenanigans will begin on January 3rd. We can't wait!

Wishing each of you a magical holiday season.

Courtney
