Ages 19-22: July 15th-19th

Camp activities include:

- Skills building in independent living, including adaptive dining, cooking, organization of home and/or office
- Learn how the latest apps can provide a higher level of self-sufficiency
- Overview of employment services, such as job exploration and job readiness, as well as key soft skills to help transition into the workplace
- FUN FRIDAYS: Trips into the community for social time and orientation/mobility training

Vision Academy is held at Assistive Technology Services, 2300 Bailey Avenue, Chattanooga, TN 37404. To enroll, contact Lana Little at (423)298-2489 or email at Lana_Little@signalcenters.org.

“There’s no place like camp! Making memories, laughter, recreation, new and old friendships, but always fun, fun, fun! The camps at Signal Centers provide an adventurous experience for children with disabilities in a safe environment with low camper/staff ratios, highly qualified staff and creative activities.”

Donna McConnico, CEO
